Water-Efficient Landscape Education Program

August - November 2011

FREE Classroom Lectures and Hands-On Workshops that focus on:

- Sustainable Landscaping
  - Use of California Native and Drought Tolerant Plants
  - Creating Healthy Soil
  - Understanding Water Conservation
- Alternatives to Lawn
- Habitat Gardening
- Edible Landscaping
- Parent/Child Gardening Workshop
- Water Efficient Irrigation Practices

Lori Palmquist, August 2010

HANDS-ON WORKSHOP SCHEDULE

Sept. 17 9am-12pm	**Lawn Alternatives (Sherri Osaka):** Learn how the use of water-efficient CA Native plants create a beautiful alternative to a typical lawn. Find out how you can qualify for the Lawn Be Gone! rebate program. This workshop will provide a hands-on demonstration on sheet-mulching, a process used to remove lawns.	**Belmont**
Sept. 17 1-4pm	**Drip Irrigation Design and Installation (Tom Bressan):** This hands-on workshop covers the design and installation of water-efficient drip irrigation systems and conversion from spray to drip.	**Mountain View**
Sept. 17 9am-12pm	**Hardscape Design (Lyngso):** Learn about permeable surfaces and their water conserving benefits. Find out how to design and install pathways and patios using decomposed granite, gravel, flagstone and pavers.	**Redwood City**
Sept. 24 9am-12pm	**Parent/Child CA Native Plant Workshop**: Experience a day of hands-on gardening while learning about our natural environment. Parents and children will help plant a demonstration garden with instruction from Acterra, Bay-Friendly Landscaping & Gardening Coalition and the City's Green Team.	**Palo Alto**
Oct. 1 *and* **Oct. 8 9am-12pm**	**CA Native Plant Workshop (Sherri Osaka):** Hands-On Workshop that will provide participants an opportunity to perform planting of CA native plants. Learn planting techniques and help create a model landscape in Sunnyvale.	**Sunnyvale**
Oct. 15 10am-1pm	**Kid-Friendly Water Wise Workshop (Noelle Marquis):** Attend this Parent/Child workshop and learn how to create a space for outdoor learning and play.	**Mountain View**

Additional Class Schedule on reverse side. Registration is Required
Email landscape@bawsca.org or call 650-349-3000 to Register
Hands-on workshops have limited space.
Attendees of hands-on workshops should dress appropriately for gardening.

CLASSROOM LECTURE SCHEDULE
