2017 Tide Tables are here!

Welcome to SUMMER!

The days are longer and warmer, and it is time to come down and enjoy your boat!

The Kite Festival will be a BLAST on Sat., June 24th at 1PM. Bring a kite and have some fun! Prizes to be awarded… parking will be restricted in certain areas to protect pedestrians expected that day; see the staff in the Harbor office if you have any questions.

<u>This month we need to address a less happy topic:</u>
Some boaters are using the garbage for the disposal of human waste products. A reminder: Our cameras can determine who is dumping these items. Please just take any containers into the RESTROOM, so you can empty/rinse/reuse or discard the container and contents as appropriate. If we determine you are disposing of waste improperly– whether on land or into our water– ***you will be looking for a new Marina!***

As more folks use our facilities, crime here is still a concern. PLEASE be vigilant, call Brisbane PD if you see anything suspicious! Their non-emergency number is: 415-467-1212. Call 9-1-1 for any in-progress crimes. Our new guard patrol service is now walking every dock, multiple times each night.

Michael Hahn
Harbormaster
