# Come and See Us! June 9-17, 2012

**The San Mateo Countywide Water Pollution Prevention Program will hold a tabling event and exhibit at the 2012 San Mateo County Fair. The program is a combined effort of all cities and the unincorporated areas of San Mateo County, working to prevent water pollution in local creeks, rivers, the Bay and the ocean.**

- **Oil Recycling Options**
- **Proper Household Chemical Disposal**
- **Car Washing Best Practices and Coupons!**
- **Children's Activity Guides**
- **Less Toxic Pest Control**
- **How to Make Safe Household Cleansers**
- **The New Youth Anti-littering Campaign: "Be The Street You Want to See"**

BE the street

**Hosted by the Sustainable Living Department of the San Mateo County Fair**

**The Sustainable Living Department is dedicated to informing and stimulating creative thinking and actions/activities which can lead toward a healthier, less impacted and supportive natural environment.**
