The Brisbane Parks & Recreation Department offers a developmentally appropriate half-day program to encourage, support, and develop the whole child. Preschoolers days are balanced with a variety of enrichment activities including art, imaginative play, recreation, music, stories, and more. We aspire to enhance self-esteem, encourage independence, foster friendships, and provide a nurturing introduction to school. Due to the extreme popularity of the Preschool program, the Parks & Recreation department generally holds a lottery for the open spaces in the program. All students participating in the Preschool program must be a minimum of three years old as of September 1st, 2018 and fully potty trained at the start of the program *(no exceptions)*. Proof of age is required for new students. Students may enroll in a maximum of 4 days/week per session.

## 2018-2019 Registration Information
