Alvin Louie Age 55
Retired Policeman/ Restaurateur

Education and Qualifications:I was born and raised in San Francisco. I moved to Brisbane in 2000 and currently live in the Ridge.

I am a recently retired police officer of 34 years. I worked 9 years in the county jail as a Deputy Sheriff for the San Francisco Sheriff's Department.

I lateraled to the San Francisco Police Department and proudly spent the last 25 years at the Airport.
My career in Law Enforcement has given me much knowledge and experience with crisis management, interpersonal social skills, and decision-making.

My wife and I have been in the restaurant business for 14 years. We own a Japanese Restaurant at the end of Pier 39.

This restaurant has given me experience in the operation of a business: From day to day operations, managing a medium size payroll, delivering a high quality product, customer service, marketing, and understanding the grind it takes to be successful. My wife is currently in charge of the business.

I have three children: An older married daughter, a 14-year-old son and a 13-year-old daughter. I understand that it takes time, commitment and compassion to raise a family.

I am currently the President of the San Francisco Chinatown Lion's Club. I have been an active member for 16 years. The Lion's Club is the world largest non-profit all volunteer service organization.

I have helped to raise support for many projects and for community organizations in Chinatown.

I have joined the Brisbane Lion's Club as an associate member and will be helping to serve the Brisbane community.

I enjoy life and get my energy through fitness and a healthy lifestyle.

My strengths are my integrity and dedication to service in all aspects of my life. First as a police officer, second as a restaurant owner, and as a husband, parent, and community volunteer.

With my passion for service I will use my skills and experience to maintain the community values of Brisbane, to protect the environment of this beautiful city, and to be fiscally responsible and accountable for your money.

I will keep an open mind about opportunities that can help improve the City of Brisbane.

I cherish this town I live in.

I am retired and have the time, energy and experience to serve the City of Brisbane.
