Citizens Academy

City Government

The Brisbane Citizens Academy is an eight week interactive program geared toward learning about the government process in the City of Brisbane. Each week the departments will discuss diverse topics ranging from how City funds are allocated to ensure our community's sustainability, to how City decisions are made reflective of issues such as development and capital projects, plus many other issues you may want to learn about.

The Citizens Academy will provide participants with an overview of the management and government of the City of Brisbane, as well as an in depth look at several issues that the City is facing or will be facing in the future. It is also designed to help build relationships that will strengthen our entire community and also prepare those who are interested to serve in future citizen leadership roles.

Academy classes will be held from 6:00 - 8:00 pm every other Tuesday, beginning September 6 and will conclude with a graduation ceremony at the City Council Meeting on Monday, December 5, 2011.
