FOR MEMBER OF THE CITY COUNCIL

Gavin Escolar Age: 38
Occupation: Jewelry Designer/ Artist

I would like to foster/brew entrepreneurship, and revise the downtown area, in able to provide more opportunities for locals to thrive in a business environment. I am a young artist at heart, who has international business experience. I would like to see a positive change for the city of Brisbane, being an original Bay Area native.

There should be a strong artist community in Brisbane, CA. as a revenue generating stream for the city. I would like to offer artists an opportunity to teach classes and promote their talents/creations which will enrich the cultural impact in our city.

I respectfully ask for your support and thank those of you who cast your vote for me. A vote for me is a vote for a better City Council and a better Brisbane.
