Marina Services Director:
Randy Breault

2017 Tide Tables are here!

Happy Summer Days!

I will repeat last months' message <u>again</u>: The days are longer and warmer, and *it is time to come down and enjoy your boat!*

- **The Marina is looking good, with many improvements completed or in process– the South public restroom work is nearly done with a complete interior remodel.**
- **We are scheduling the installation of the new WiFi system upgrade.**
- **The security camera system is in place, and a new camera will be installed to monitor the seawall entrance to the Marina, 24/7.**

The dock restoration process is complete for now, and the Public Works staff who were here temporarily to assist with that project have been rotated back to the "regular" Brisbane Public Works teams– our thanks to Lead Worker Dolan Shoblo and to Maintenance Worker I Albert Mosely for all their hard work. We also want to welcome our new part-time Maintenance worker, Doug Messing, to our team.

In order to improve, we are seeking your ideas and input on the various types of small, "mobile" businesses and concessions that may fit in here. Some ideas include: hot dog stand, food trucks, Zipcar (or similar) rental station, bike rentals, kayaks, etc. Let us know what specific ideas YOU would like to see implemented here so we can explore bringing these resources to our favorite marina!

My door is always open, and we are grateful for your business.

Michael Hahn
Harbormaster

KITE FESTIVAL!

The Kite Festival w a BLAST on Sat., June 24th! Thanks to ALL who came … we had hundreds of people, young and old, enjoying the fun with many kites dancing in the wind!
