#	If yes, please explain.	Date
1	Allow residents of Brisbane to have first access on hot days... let them in 10 minutes earlier than others in line. Otherwise it fills up and residents stop using the pool because they can never get in.	4/28/2017 12:55 PM
2	Showers are kind of disgusting. Water does not drain well out of them. There are hair piles all over. Just gross.	4/26/2017 2:04 PM
3	Put in a handicap chair lift there is an existing wheelchair that is all rushed up and impossible to use I brought a disabled person with me to the pool who had to turn around and leave because this equipment was not usable and they had no access to get in the water I also believe it's illegal not to have these things in working order	4/26/2017 11:33 AM
4	Jacuzzi	4/26/2017 11:28 AM
5	It's colder than 70 degrees most days, thus uncomfortable to swim outdoors.	4/24/2017 9:09 PM
6	Change rooms are too small. There's not room for more than 4-5 people at a time.	4/8/2017 10:51 AM
7	Add a diving board	4/3/2017 8:52 PM
8	not sure if there is any, BBQ grill heat lamps umbrellas/shaded areas water slide	4/3/2017 9:22 AM
9	Cleaner changing rooms and shower facilities.	4/2/2017 7:43 PM
10	Slide	4/1/2017 11:06 PM
11	The women's locker room is disgusting. Very dirty and doesn't seem to get cleaned.	4/1/2017 9:05 PM
12	The Aqua Zumba class was disrespected and treated like second-class citizens. Lanes were increased even when there were far more paid class participants than swimmers. The music was turned down, although when there were parties the music was turned up to a much higher volume. There were "attitude" issues with many of the very young lifeguards that has just made me decide not to participate any more.	4/1/2017 9:45 AM
13	Love the pool. Showers can be maintained a bit better.	4/1/2017 9:35 AM
14	Having just moved here I'm looking forward to trying it, so no suggestions yet.	4/1/2017 12:11 AM

15	in the summer its terrible when then children go to the pool to swim and can't get in because the pool is filled with people from San Francisco. Is there a way to allow more Brisbane residents?	3/31/2017 7:30 PM
16	Good music	3/30/2017 5:16 PM
17	More thorough daily cleaning of the pool sometimes we are there every day for swim class and I'll see the same Band Aid floating around in the pool or just next to it two days after first seeing it. Spot cleaning the changing room showers so hair doesn't build up in the drains for people showering later in the day. Its always clogged by mid afternoon and it's beyond gross.	3/30/2017 4:55 PM
18	Heat the water (more if its already happening)	3/29/2017 11:49 PM
19	Updated locker rooms. Staff is great, like the special activities like pumpkins and movies, just haven't worked out timing yet. Summertime! A place to hang a towel while rinsing at outdoor showers. Water spouts area.	3/29/2017 1:21 PM
20	a little warmer. better chairs	3/28/2017 11:19 AM
21	Fix locks on women's shower doors in pool and keep soap dispensers on showers full. Provide lounge chairs around pool in summer. Play music during lap swim. Provide masters class option for adult swimmers wishing to improve technique. Provide adult swim team/club.	3/26/2017 9:45 PM
22	Snack bar or working snack machine	3/26/2017 8:34 PM
23	A sign posted at office letting us know the pool temperature. The showers and sink areas for the women's facilities could be updated with faucets and soap dispensers.	3/26/2017 6:16 PM
24	early weekend lap swim: beginning at 8:30 AM without water aerobics or swim team (begin those activities later, like at 9:30 AM and 10:30 AM)	3/26/2017 2:02 PM
25	the kids' swim team has disrupted lap swimming in past years, which can be fixed by having them start later (9am)	3/25/2017 7:32 PM
26	Expanded summer hours for family rec swim	3/24/2017 8:40 PM
27	Yes, please fix the leaky shower head in far right stall of the women's locker room. I swim often, and because you have to crank this shower head very hard to turn it off, it is often left partially on. The drain in the third stall is clogged and needs to be cleared. It would be nice if the lifeguards/staff checked the bathroom stalls to make sure there is toilet paper before they leave each and every night. And please, please, please put in recycling cans so that people can recycle their plastic shampoo, etc. bottles. I think there should be clear guidelines for the lifeguards about how much conversation with fellow lifeguards is allowed when they are on duty. I have noticed that some of the newer lifeguards are quite distracted when on duty because they are socializing with the other lifeguard(s) and not focusing on pool safety during lap swim. Thank you for keeping the pool open even in winter and rainy weather!!	3/24/2017 4:52 PM
28	Keep the bathrooms clean and in working order. Have staff check at end of day and leave information for engineering and janitors. Follow up if not taken care of.	3/24/2017 4:26 PM
29	More frequent cleaning of the shower areas	3/24/2017 4:10 PM
30	Brisbane Pool needs to improve basic locker room maintenance. (1) Hair drier that was ripped off the wall n eds replacing over a year later; (2) Shower soap dispensers rarely filled with fresh soap or else simply don't dispense; (3) Better air—always warm and humid after use like a fungal Petri dish; (4) Cleanliness is lacking throughout, particularly toilets and floors; (5) Shower head broken for months. Please fix. .... In summary, an array of issues that should / can be fixed easily, inexpensively and quickly but instead drag on for months and months and months.	3/24/2017 2:52 PM
31	Life guards need better training in courtesy and work ethic	3/24/2017 2:03 PM
32	More of a seating area around pools, lounge chairs, maybe a paid rate to use chair	3/24/2017 1:26 PM

Q8 Enrollment in Summer contracted camps (i.e. Shakespeare, Lego's, Minecraft, Sports) over the past few years has been extremely low, and as a result, many of these camps are canceled. Should the City continue to offer these programs to the community?

#	Why or why not?	Date
1	But the programs and staff are sub-par. Kids are bored and promised programs are poorly run. (sports are often scheduled but not actually played. Schedule ignored)	4/28/2017 1:01 PM
2	Find some camps that people want to attend.	4/26/2017 2:08 PM
3	Focus on the ones that have been in the highest demand. Look at other programs that are successful with camps I personally wouldn't bother with a Shakespeare camp maybe ask the children themselves	4/26/2017 1:24 PM
4	Only if there is interest	4/25/2017 11:54 PM
5	We travel during the summer so don't do camps, yet they're great for kids who do participate.	4/24/2017 9:09 PM
6	Kids are interested in these kinds of camps and when there are enough sign-ups they are great. The challenges come up because we're such a small city but that's not a reason to stop offering them.	4/19/2017 5:20 PM
7	I will enroll my kids when they are old enough. They are currently too young to handle a full-day camp. Maybe better publicity might help? Possibly a summer camp open house info dayin early spring?	4/8/2017 11:01 AM
8	I continue to enroll my child, though every time a camp has been cancelled. I'm still hoping one will go through.	4/3/2017 8:57 PM
9	Since the enrollment are low.	4/3/2017 10:23 AM

12	Swimming camps would be cool too	4/1/2017 9:11 PM

13	Instead of a "camp" try making a "club" for a specific interest. How about "gaming" or simple computer programming.	4/1/2017 12:25 PM
14	If they're not desireable, offer things that are.	4/1/2017 10:15 AM
15	If it makes sense.	4/1/2017 12:24 AM
16	If enrollment is low don't offer outside camps.	3/30/2017 8:03 PM
17	Sports camps at a reasonable price are needed like for tennis ot basketball	3/30/2017 5:15 PM
18	To have programs available does a community service.	3/30/2017 5:01 PM
19	My kid loves Lego camp! Maybe they could alternate topics. Art camp would be great too.	3/29/2017 11:53 PM
20	Nice to offer, but sad that we can't support them. Really need to market outside of Brisbane - Bernal Heights Moms Club, Visitacion Valley, East side SSF (close to us). Lots of clubs and elementary schools around us.	3/29/2017 1:49 PM
21	Yes. Incorporate into P&R summer camp! Maybe there's a cost increase for optional activities but you should consolidate instead of getting rid of options.	3/28/2017 11:39 AM
22	only if offered full day....working parents can't do schedules that end at 3:00. We have participated whenever the camps are connected to school or other park and rec programs with extended hours.	3/26/2017 10:40 PM
23	Again, I am not a parent, should be a box above to check: "childless."	3/26/2017 6:30 PM
24	My children participate in these summer classes every year. It is very helpful to have classes near our home.	3/25/2017 11:06 PM
25	Brisbane is a small town but kids still deserve the chance to go to an interesting camp	3/25/2017 7:37 PM
26	If enrollment has been low then I think it's best to explore other programs.	3/24/2017 9:20 PM
27	There are probably too specific -- need something with wider appeal	3/24/2017 9:13 PM
28	It may be that more promotion is needed	3/24/2017 8:43 PM
29	Depends on which programs and reasons why attendance is low. Need more information.	3/24/2017 2:57 PM
30	Just limit the types of camp to some basic ones with good variety of activities	3/24/2017 2:14 PM
31	I believe there is interest, but I think their existence is not obvious to many. For instance, some folks have already scheduled their kids' summer, and the Summer Activity Guide isn't out yet. More publicity, maybe posting on MOB and MOB's FB page, may increase interest.	3/24/2017 1:56 PM

#	If yes, what types of additional enrichment options would you like to see offered? Would you be willing to pay an additional fee for these program enhancements? If so, how much?	Date
1	Wine touring for adults yes I would pay extra fee for this	4/26/2017 1:24 PM
2	I have one child in kindercare, so I can only evaluate that portion of the program. I would like to see the staff interact more with the children, or have activities/crafts prepared for them. The staff mostly sit or stand on the sidelines and watch - it's essentially glorified babysitting. I would be willing to pay more if there were a more interesting program for my child.	4/8/2017 11:01 AM
3	Used to be in Club Rec for years but no longer.	4/1/2017 9:11 PM
4	Right now, my kid really just likes to run around and play. And he NEEDS to run around. a lot. So it suits him and he doesn't really want to be enriched. I'd like him to be enriched, but I'm happy to have him run around like crazy.	4/1/2017 12:24 AM
5	The facilitation role at ClubRec seems to be 'playground monitor' which is not exactly a 'program'. Older kids complain about the lack of stimulating activities and the tendency to make all the kids do the same thing means little kids aren't happy either. Whenever I have been there, the adults are just sitting and watching the kids play in a big group. Successful camps I've seen create very age-specific tracks and devote dedicated counselors to each.	3/30/2017 9:41 PM
6	Counselors MUST stay off their Phones!! I don't care if they are looking for music or activity with the kids. No screens! They can check when they go to the bathroom. Kids should not see them on the phone. I know the parents are sick of it! I don't constantly check my phone while at work. I am sure it is a millennial thing, but I haven't seen interns doing that. And they are caregivers - engage, play, chat. I know there is down time, but no screens.	3/29/2017 1:49 PM
7	Multiple scheduled options for each day. More spread out use of facilities. More structured options. Clubs within the club.	3/28/2017 11:39 AM
8	music, gardening, cooking, soccer, photography, yes...currently after school enhancement programs cost 50-80$ per quarter.	3/26/2017 10:40 PM
9	I would pay extra for Spanish, piano, and science classes.	3/25/2017 11:06 PM
10	I would like to see more music and art programs. I would be willing to pay extra for my kids to participate.	3/24/2017 9:20 PM

11	Art class, dance	3/24/2017 9:13 PM
12	My child doesn't want to go there. Doesn't like the staff.	3/24/2017 8:43 PM
13	Not in this household exactly, but family in town. Would gladly pay.	3/24/2017 2:14 PM
14	Anything fun for the kids would be great. My son is only 6, but when he's older, performance/theater would be awesome. We're also looking forward to him being old enough for yoga.	3/24/2017 1:56 PM
15	swimming lessons/tennis lessons/basketboll during Rec time will be nice - some	3/24/2017 1:36 PM
16	I like the programs you currently have offered	3/24/2017 1:28 PM

5	The dance should be a Family Dance for all parents and all children-- fathers, mothers, sons, daughters, step-parents, step-children, aunts, uncles, grandparents, from toddlers to seniors. The idea of a father/ daughter dance is out-of-date and out-of-touch with how families look today. I find that kind of exclusion to be the wrong message from an event sponsored by the city.	4/19/2017 5:20 PM

7	I think you should hold large events in the Marina. You don't seem to be aware of the congestion/parking problems you create in central Brisbane. At the very least you might block off the street and have parking at the Marina with a shuttle. Also I don't understand why you are having such an event when we have a Community Festival. This seems like a duplication.	4/1/2017 12:25 PM

Q13 The City is considering the feasibility of hosting a large-scale regional event that would draw people to town from neighboring communities. #	If so, where would you propose for the event to be held (i.e. Community Park, Marina, etc.)?	Date
1	Community park	4/28/2017 1:01 PM
2	Marina area would be great for stages, concessions, and parking. Easy on and off freeway access, all while not affecting traffic in old town.	4/26/2017 5:33 PM
3	Marina has the most room.	4/26/2017 2:08 PM
4	Community Park is not large enough for such an event the Marina would accommodate it	4/26/2017 1:24 PM
5	Comm park	4/26/2017 11:46 AM
6	Marina	4/25/2017 11:54 PM
7	The Marina with open space, water views, trails, and restroom facilities is perfect for an event!	4/24/2017 9:09 PM
8	The Marina would be a great place for a large-scale event like this. I don't think the Community Park is as good a choice, however.	4/19/2017 5:20 PM

9	Marina might be best. I don't think there is enough parking available in central Brisbane to accommodate this event, and public transportation getting to and from Brisbane is inadequate for this purpose.	4/8/2017 11:01 AM
10	I like the idea of hosting it in the Community Park, but I could see parking as being an issue.	4/3/2017 8:57 PM
11	Definitely down in town near the park, including Park Ln. Would be fun to have some type of festival, etc.	4/1/2017 9:11 PM
12	I followed talk about this. You don't seem to have a good grasp on how to do this. Again, the event should be in the Marina. Did you forget we have a VERY SMALL DOWNTOWN?! Recent closure of Bayshore when the tree went down really impacted the ability to get home. Traffic was like a freeway down San Bruno.	4/1/2017 12:25 PM
13	But I worry about traffic. How will folks get around to do anything else? You pretty much need everyone around to participate.	4/1/2017 12:24 AM
14	park.	3/30/2017 9:41 PM

18	Don't use the marina, unless you have free shuttle buses back and forth to Brisbane.	3/26/2017 6:30 PM
19	Marina	3/25/2017 7:37 PM
20	I go to these festivals and our town is too small to have something similar. We should look into our heritage and have a Demarco barbecue in the park possibly with the original pit from the club. ,with wine booths and a great country western band.	3/24/2017 4:35 PM
21	Park or marina sound good.	3/24/2017 2:57 PM
22	As long as local businesses can participate somehow, I think the Marina may be best, just for parking considerations.	3/24/2017 1:56 PM

1	Nice to have a place to hang out	4/27/2017 6:24 AM
2	Very clear that female council members and two female commissioners hate teen boys.	4/26/2017 2:14 PM
3	Most definitely it is ridiculous that the teen center was closed down instead of revived many in the community would be willing to participate in the upgrade of this building and also donations to improve its appeal	4/26/2017 1:26 PM
4	Having programs is more important than waiting for a space, however, there are enough people and businesses in the community who would likely volunteer to rebuild the teen center or would donate towards the efforts. Just look at how much money went towards the skate park.	4/24/2017 9:09 PM
5	I don't have teens, but my kids will be teens soon enough! There isn't a hangout for them in town besides the skate park or community park.	4/8/2017 11:02 AM
6	My daughter and her friends walk around town and sometimes they get so bored they walk out of our town.	4/3/2017 10:25 AM
7	Absolutely. A place for teens to socialize and be "somewhat" supervised is good. Keeps them in town.	4/1/2017 9:13 PM
8	We had a teen center and an adult who ran it. This was a waste of money.	4/1/2017 12:27 PM
9	Not sure. Teens tend to form new communities and friendships around HS, outside of town.	4/1/2017 9:38 AM
10	We have a Sr. center. The kids don't all go to the same high school. The younger kids take over the library. Would be good to have their own space.	4/1/2017 12:27 AM
11	teens connect online. the space would be neglected.	3/30/2017 9:42 PM
12	If teens have a place to hang out they will build a network together and learn from each other rather than roaming the streets making terrible decisions. They don't have many places to hang out. They make the library very loud!	3/30/2017 5:18 PM
13	The new library will be great! For a dedicated teen space, you really need a moderator/strong leader to maintain fairness and peace. It has been a failure in finding that person in the past. Foosball, video game consoles, computers, etc would be fun, but....	3/29/2017 1:53 PM

14	For Sure!! Need place where teens with supervision are creating as well as building community and skills.	3/26/2017 10:42 PM
15	Again, I don't have kids, but it seems the teen center next to the hardware store never took off.	3/26/2017 6:35 PM
16	Makers space would be great for the teens to have access too.	3/25/2017 11:10 PM
17	They have nowhere to gather besides skatepark and public library. They gather in groups and take over the aisles in the library everyday. It's difficult for other patrons to enjoy the library in weekday afternoons.	3/24/2017 8:46 PM
18	I would use existing school gym, etc. evidently the teen center we had is not safe and is vacant. Why do any other projects until what to do with that building is resolved.	3/24/2017 4:37 PM
19	Teens are mobile and can attend activities elsewhere if not offered here. They resist supervision and rules, such as helmets in the skate park	3/24/2017 2:18 PM

1	Why? Expensive...	4/28/2017 1:03 PM
2	At what cost?	4/26/2017 5:35 PM
3	Enough screen time already	4/26/2017 2:18 PM
4	Please don't destroy one of the most charming things in Brisbane.	4/26/2017 9:14 AM
5	Aside from not being a need, an electronic board is a waste of precious resources (energy to run it and materials to make it), and source of light pollution. It also can be vandalized and would need repairs which would waste valuable resources.	4/24/2017 9:09 PM
6	I love the signboards as they are. I don't think electronics are any better for the environment than the paper and ink used to make the signs. Electronic ones would be too corporate and impersonal and Brisbane is anything but corporate and impersonal.	4/19/2017 5:31 PM
7	It depends on the cost of the signboard vs. the cost of paper signs that are currently used.	4/8/2017 11:05 AM
8	Ewww, that would be an eyesore.	4/1/2017 9:16 PM
9	Ugly, ugly, ugly. We are not SSF. Please stop trying to go there. The existing signboard is part of our small town charm. And why waste electricity. Dumb idea.	4/1/2017 12:29 PM
10	Low Fi seems to work well with the town culture.	4/1/2017 9:39 AM
11	I think I could see it from my living room. When would you get the return on investment	4/1/2017 12:33 AM
12	i like the small town feel of the written signboard	3/31/2017 7:34 PM
13	electronic signboards are not in keeping with the feel of Brisbane	3/31/2017 2:28 PM

14	How much does this cost? Is it necessary?	3/30/2017 5:19 PM
15	Not too bright, somewhat muted - black or white writing with soft greens, blues for background - mountain/nature colors, no neon.	3/29/2017 2:04 PM
16	Strongly oppose electric signs for purely aesthetic reasons.	3/28/2017 11:42 AM
17	kind of like the hand made look, but open to something new.	3/26/2017 10:44 PM
18	It would draw more attention even make it look more official.k	3/26/2017 6:43 PM
19	I'm not a fan of the hand written signs but I know some people appreciate them. I think an electronic sign might be too much, but I'm open to seeing something different.	3/24/2017 9:24 PM
20	Too high tech and subject to damage	3/24/2017 9:16 PM
21	I think the existing signboard is charming and reflects our small town well.	3/24/2017 8:47 PM
22	I like the old town feel. Definitely would not want anything electronic.	3/24/2017 4:40 PM
23	Seems more flexible	3/24/2017 3:00 PM
24	Electronics can be too "loud." I for one would not want my death announced in glaring lights! Current paper signs are more "homey" in traditional Brisbane style, but may require economic and environmental consideration.	3/24/2017 2:26 PM

Somewhat	**28.85%**	15
No	**5.77%**	3

#	If not, what can be done to increase accessibility?	Date
1	Provide more events at the Marina and Mission Blue to attract residents from the Ridge, not just the central section of Brisbane	4/24/2017 9:12 PM
2	Create some programs for disabled kids and adults. SF Park and Rec has been offering playgroups with trained staff for awhile.	4/19/2017 5:36 PM
3	They are accessible, but usually fill up with outsiders before all Brisbane residents have the opportunity to do so	4/1/2017 9:18 PM
4	Hold some events in the industrial park area. Music at the quarry? Think about Red Rocks in Denver.	4/1/2017 12:30 PM
5	There is little disability access. I could not take my 85 year old mother, for example.	4/1/2017 10:17 AM
6	scholarships? adopt a family?	4/1/2017 12:35 AM
7	It is to me, but I don't know for others.	3/29/2017 2:10 PM
8	Shuttle buses.	3/26/2017 6:45 PM
9	Have meetings in town and not over at the Sierra point hotel. We have attended those meetings and there is an extremely low citizen turn out mostly staff ! Why pay to do that!for	3/24/2017 4:50 PM

1	We have wonderful, hometown events that create great memories and make our town the gem that it is. We should add a kids parade similiar to the Posey Parade in San Bruno. I can remember decorating my bike and getting excited about being in the parade. ...Maybe as part of a Fourth of July celebration	4/26/2017 5:41 PM
2	Demographic information not necessary for this survey	4/26/2017 2:22 PM
3	We walk the Crocker Trail and there is a lot of garbage that comes from the warehouses (uncovered debris boxes). Could the city fine them to pay for the clean up of the trail. Just an idea... Thanks... call me at 468-6861 if you have a questions	4/20/2017 4:15 PM
4	Thanks for all the care that's put into our Parks and Rec program here in Brisbane. We may be small, but we're mighty!	4/19/2017 5:36 PM
5	Parks & Rec Preschool isn't what it used to be. I would suggest a separate survey for parents of the preschool students.	4/8/2017 11:07 AM
6	Trish and Ricardo are doing an amazing job!!	3/30/2017 5:20 PM
7	Pe-school: You need to hire a stronger leader. I love her as a person, but she is not a leader and does not know how to direct her team other than expecting the minimum, and the phone, argh! No innovation or creativity, just the same as always; artwork comes home like an adult did it. Everything is perfectly placed. No free form, rigid.	3/29/2017 2:10 PM
8	I would like to see more interaction between the Park and Rec afterschool staff and the kids.	3/25/2017 11:16 PM
9	The first question would only let me select 1 trail choice.	3/24/2017 8:48 PM
10	Our town is very small, we have lots of well paid staff and if everyone worked efficiently I think we would have a beter town with fewer problems. I feel some departments are over staffed and a waste of our taxes.	3/24/2017 4:50 PM
11	Your Commission should serve all age groups equally. Staff should be willing to work on weekends.	3/24/2017 2:31 PM
12	Great job. I'm excited to see what's new, and keep up the good work!	3/24/2017 2:00 PM
