Marina Services Director:
Randy Breault

CLEAN MARINA

2017 Tide Tables are here!

October Notes

Halloween is coming!

- **As we near the end of the calendar year, and the end of the California CF # registration tag cycle, Teresa asked me to remind all boaters to EMAIL (tcamarda@ci.brisbane.ca.us) or BRING a copy of the NEW registration document (or we can make the copy from your original) and put the stickers up on your hull. If you have a Coast Guard documented vessel, we also need a copy of that documentation upon your renewal. Thanks in advance!**

- **Night time issues: The Brisbane Municipal Code section 18.08.040 (A) states, *"The owner of the vessel is responsible for his/her crew and guests. No person shall cause loud or unnecessary noise which is disturbing to others."* On a recent night at a few minutes before midnight, several VERY HAPPY and LOUD boaters on deck of their vessel were asked to please quiet their activities down and take them back inside the boat. We all need to remember that OTHER folks come here for rest, sleep and quiet at night. Thanks for your cooperation.**

- **SEE SOMETHING, say something! On a recent night, several vehicles were dispensing fireworks as they drove through the Marina. If you are disturbed by any remote control aircraft noise, drones hovering over the boats here, or if you see an individual or car "casing" the lots at night (or day!) or- if you encounter any dangerous persons or see other suspicious activities– PLEASE CALL BRISBANE POLICE @ 415-467-1212. The officers are here to help!**

We appreciate your business, and we continue to work hard to maintain and improve the facility so your experience here is an excellent one. *My door is always open...*
