RecycleWorks VOLUNTEER ACADEMY

San Mateo County Office of Sustainability's RecycleWorks Program is excited to announce the launch of the 2015-2016 RecycleWorks Volunteer Academy (RVA)!

The RVA offers resource conservation courses at *no-cost*. The courses are hands-on, provide participants with the concrete skills and knowledge to conserve resources at home and at work, and offer an opportunity for participants to promote environmental awareness in the County as a volunteer. Local sustainability experts instruct the courses, and offer participants access to cutting-edge sustainability information and best practices. The courses are a great way to meet new people, build leadership skills, and participate in meaningful, locally focused, and fun volunteerism!

To learn more about the RVA, visit **www.recycleworks.org/sustainability/rva.html**
Participation in the RVA is available only to San Mateo County residents and those who work in San Mateo County.

COURSE OFFERING

The first course offering in 2015-2016 is a **2-hour foundational webinar** that will provide participants with general resource conservation knowledge.

Topics will include: the 4Rs (Reduce, Reuse, Recycle, Rot), energy and water efficiency/conservation, pollution prevention, and more!

WEBINAR DATES:

- **Wednesday** **Nov. 18th, 2015**
- **Thursday** **Dec. 10th, 2015**
- **Sunday** **Jan. 10th, 2015**
- **Wednesday** **May 18th, 2016**

COMING SOON: OTHER COURSES TO BE OFFERED!

- Master Compost & Solid Waste Course
- Master Resource Conservation Course
- Single-Day Workshops
