RecycleWorks VOLUNTEER ACADEMY

Join the County of San Mateo's RecycleWorks Volunteer Academy (RVA) in our *no-cost* Green Business Workshop! Our workshop is interactive, hands-on and a great foundational resource for building your sustainability expertise. The workshop will be taught by experts in the field and is a great way to network with others like you who are passionate about sustainability. Light lunch will be provided!

You must be 14 years or older to participate, and a resident, business owner, employee, or student within San Mateo County.

Green Business Workshop

Saturday May 14th, 2016

9:00am-1:00pm

County of San Mateo, Office of Sustainability,
455 County Center, 4th Fl, Redwood City

Through the RVA's Green Business Workshop, business owners and workshop participants will have the opportunity to work on their own business certifications under the County's Green Business Program and directly engage with a local certified green business, ***Aly's on Main*** in downtown Redwood City, to learn about their experience in the County's Green Business certification process, including the benefits and challenges of becoming a green business.

Workshop information and registration:

http://www.recycleworks.org/sustainability/rva_hands_on.html

or contact Eun-Soo Lim, RecycleWorks Coordinator,

at RecycleWorks@smcgov.org or 1-888-442-2666.

This no-cost educational program is made available through the County of San Mateo.
