Third Round of Topics (please comment by Wednesday, 1/27)

The third round of topics center around the City's Afterschool Programs, KinderCare and ClubRec. A Parent Engagement Meeting was held on Wednesday, December 16th in the Community Meeting Room at City Hall. The meeting was open to the public, and specifically touched on the results of the 2015 Afterschool Survey, with Parks and Rec staff facilitating a collaborative discussion around the future of the KinderCare and ClubRec programs. We received a lot of great input and look forward to hearing more online via Brisbane Town Hall as we start programming for the future, with the goal being to provide the families who utilize these programs the best offerings possible. Therefore, the following "town hall" forums have been set up:

1. Suggested Enrichment Activities
2. Parent Communication
3. Afterschool Program Desires
4. Ways to Maintain Affordability

Please respond by Wednesday, 1/27 in order for your comment to be properly accounted for. Thank you for your participation on Brisbane Town Hall - the City is listening!

Several parents expressed a willingness to pay more for the program if a higher quality of service and expanded activities were to be provided however we recognize that this may not be the case for all families. What suggestions do you have for increasing program fees without making it cost prohibitive to other families who may not be able to withstand a fee increase?
