APPEAL

I/We hereby appeal the action by the

- Planning Commission
- Zoning Administrator
- Planning Director

regarding Application No. DP-1-13

for 8 Thomas APN 007-350-340

at Nov. 14, 2013 Planning Commission Meeting

The reasons for the appeal are: I would like the council to review this permit as I have concerns regarding the application of Brisbane Raddge line ordinance 17.12.040.L.2 and how it applies and how it is measured I also have concerns about the FAR in regards to the "open" courtyard. I have also heard that there were some procedural inconsistencies with the inclusion to the record of public comments.
