Honorable Mayor and Members of the Brisbane City Council:

My term of office for trustee of the San Mateo Mosquito and Vector Control District, representing Brisbane, expires on December 31, 2014. I request your reappointment to another four year term.

I have served on the Board of Trustees for ten years and had fully intended to step down at the end of this term. However, half of the current board has less than one year experience. I feel the Board and the City of Brisbane would benefit if I serve another term.

I have attended more than 90% of monthly board meetings and committee meetings. I have been a member of the Policy Committee and Environment Committee for most of my time. My interests in science and public health, and some training in medical microbiology were the original reasons I applied to represent Brisbane on this board.

Two years ago I moved to the Finance Committee in order to help resolve a major financial problem. I continue to serve on the Finance Committee so the district may benefit from my financial skills and education: MBA Finance, Columbia University 1977 and many years work experience in major financial organizations.

I currently serve on the ad-hoc committee to hire a new District Manager.

I am available for your questions.

Respectfully,

Robert W. Maynard
