6:30 P.M. CALL TO ORDER

The meeting of February 3rd was called to order at 6:30 p.m.

ROLL CALL

Members present: Cabrera, Christie, Lau

Members absent: Bain, Dettmer, Ibarra, Tainter

Staff: Kinser (Deputy Director of Public Works), Yuen (Assistant Engineer), Etherton (Sustainability Management Analyst)

Due to the lack of quorum, the committee members present could not take any substantive action.

ORAL COMMUNICATIONS

Resident Albertina Reyes brought up concerns with the inability for her to access northbound Bayshore Blvd directly from her property on the west side of Bayshore Blvd. In 2019, yellow delineators were extended south of the left-turn lane on Bayshore to prevent illegal and unsafe mid-block u-turns across Bayshore. She asked that a gap in the median delineators be provided within the single set of double yellow lines in the left-turn lane to enable direct egress out of her property. Staff will further discuss this concern internally and consider agendaizing this issue to discuss at a later meeting.

UPDATES ON SAN BRUNO AVE/BAYSHORE BLVD IMPROVEMENTS

Staff explained that since the no left turn movement change was implemented on San Bruno Ave at Bayshore Blvd in early January, only two Brisbane residents have been found in violation and issued warnings by Police. Most violations so far have been made by drivers unfamiliar with the area.

DISCUSS BRISBANE BIKE/PEDESTRIAN NETWORK TO INFORM SAN MATEO COUNTY CITY/COUNTY ASSOCIATION OF GOVERNMENTS (C/CAG) COMPREHENSIVE BICYCLE AND PEDESTRIAN PLAN

Staff and committee members who were present informally discussed the gaps and barriers in the City's bike and pedestrian network. Staff will use the committee's input to help inform San Mateo County C/CAG as part of its Comprehensive Bicycle and Pedestrian Plan update.
