Re: City Selection Committee – LAFCo Vacant Positions

LAFCo has two regular City Council Member positions and one alternate City Council Member position that are appointed by the City Selection Committee. The following clarifies the vacancies and term expirations for LAFCo that require City Selection Committee appointment.

Regular City Member with Term Ending May 2014

In December of 2012 Sepi Richardson retired from the Brisbane City Council, vacating a LAFCo city member position that was set to expire in May 2014. At the February 2013 Council of Mayors meeting, the City Selection Committee appointed Vice Mayor Nadia Holober to that position. Sadly, Vice Mayor Holober passed away this past May. LAFCo requests that the City Selection Committee appoint a City Council Member to the term ending May 2014.

Regular City Member with Term Ending May 2017

In March of 2013, Council Member Naomi Patridge holding the term ending May 2013 announced that she would not seek reappointment to LAFCo. At the May Council of Mayors meeting, the City Selection Committee appointed Council Member Rich Garbarino to the term that now ends May 2017. No action is needed for this position.

Alternate City Member with Term Ending May 2015

The Alternate City Member position vacated by Council Member Rich Garbarino on his appointment to regular member is vacant and has a term ending May 2015. LAFCo requests that the City Selection Committee appoint an Alternate City Member to LAFCo for the term ending May 2015.

Attached is an updated fact sheet indicating vacancies and term expirations.

PURPOSE

Created by the State legislature in 1963, the Local Agency Formation Commission (LAFCo) is a State-mandated, independent commission with countywide jurisdiction over changes in organization and boundaries of cities and special districts including annexations, detachments, incorporations and formations. As required by State law, LAFCo adopts a net operating budget, which is apportioned in thirds to the County of San Mateo, the 20 cities in the County and the 22 independent special districts. The Commission has responsibility in the following areas affecting local government in the county:

1. To discourage urban sprawl and encourage the orderly growth and development of local government agencies;
2. To prevent premature conversion of agricultural and open space lands;
3. To review and approve or disapprove proposals for changes in the boundaries and organization of the 20 cities, 22 independent special districts and 33 county-governed special districts plus incorporations of cities and formations of special districts;
4. To conduct municipal service reviews and establish and periodically update spheres of influence--future boundary, organization and service plans--for the county cities and special districts; and
5. To perform and assist in studies of local government agencies with the goal of improving efficiency and reducing costs of providing urban services.

THE COMMISSION

The Commission is made up of two members of the county Board of Supervisors, two members of city councils of the cities in the county, two board members of independent special districts in the county, a public member, and four alternate members (county, city, special district and public). The Commission contracts with the County of San Mateo for staff, facilities and legal counsel. The Executive Officer serves in the administrative capacity which includes staff review of each proposal, sphere of influence studies and assistance to local agencies and the public.
