

City of Brisbane

Agenda Report

TO: Honorable Mayor and City Council

FROM: Director of Public Works/City Engineer via City Manager

DATE: Meeting of July 23, 2012

SUBJECT: Public Hearing on Imposition of Fiscal Year 2012-2013 Tax Roll Charges for the Sierra Point Landscaping and Lighting District

City Council Goals:

To provide for effective and efficient delivery of City Services (1)

To maintain and improve infrastructure (3)

To develop management and fiscal systems to maximize effectiveness of City services and accountability to Brisbane taxpayers and citizens (11)

Purpose:

To complete the process via a public hearing for the imposition of annual tax roll charges that fund Sierra Point's Landscape and Lighting Assessment District, which provides for maintenance of the landscaping, irrigation and lighting installed in 1989.

Recommendation: The following procedures and actions are recommended:

1. Statement of the Engineer of Record as to the nature of the project.
2. Mayor's statement and declaration that the Public Hearing is open (see Attachment A).
3. Statement by the City Clerk verifying that the Certificate of Posting and the Resolution of Intention is on file (see Attachment B), followed by the reading of any written protests by the City Clerk.
4. Hearing of oral testimony and comments.
5. Closure of Public Hearing.
6. By motion, adoption of Resolution No. 2012-16, Overruling Protests and Ordering the Improvements and Confirming the Diagram and Assessment for Fiscal Year 2012-2013 for the Sierra Point Landscaping and Lighting District.

Background:

At its June 18th meeting, the City Council adopted Resolution No. 2012-11, a Resolution of Preliminary Approval of Engineer's Report, and Resolution No. 2012-12, a Resolution of Intention to Order the Levy and Collection of Assessments Pursuant to the Landscaping and Lighting Act of 1972, pertaining to the Sierra Point Landscaping and Lighting District, Fiscal Year 2012-2013. This year's assessment includes an increase, upon passage of a Proposition 218 vote last year, to offset prior years' deficits.

In accordance with state law, joint notice of both the public meeting and the public hearing were mailed to all affected property owners and was posted at City Hall, Brisbane Community Center, Brisbane Public Library and Mission Blue Center. The preliminarily approved Engineer's Report is attached. As of July 16, 2012, no written protests had been received.

Discussion:

In addition to the routine maintenance provided within the district, the revenue received funds special projects such as the replacement of the north and east shoreline Myoporum trees that fell victim to an invasive pest, the Klambo Thrip Myopori. Council received an overview of the investigation and the three year replacement plan with last year's Engineer's report. The chosen landscaping contractor will implement the second phase of replacements this fall.

Fiscal Impact:

This is an annually occurring process that provides the funding mechanism for the work completed within the landscaping and lighting district. If the Council declines to order and levy the collection of assessments, there will be no identified revenue source for the work scheduled in this District.

The FY 12-13 budget approved by Council for Department 4009 (Sierra Point Landscaping and Lighting District) is \$501,779. The assessments to be collected via the recommended action are \$591,776. The amount received in excess of the annual costs will be used to reimburse the city for unfunded expenses incurred in previous years.
