Agenda Report

TO: Mayor and City Council

FROM: Hal Toppel, City Attorney

SUBJECT: Third Extension of Tolling Agreement with County

DATE: For Council Meeting on April 16, 2012

City Council Goals:

To provide for effective and efficient delivery of City services.

To promote intergovernmental opportunities that enhances services and/or reduces cost of operations and services to city residents.

Purpose:

The purpose of the Tolling Agreement is to preserve the respective rights of the parties by suspending the running of any applicable statute of limitations on the filing and prosecution of claims during the period required for the state-wide legal issues to be resolved.

Recommendation:

Approve Third Addendum to Tolling Agreement to include claims for the 2010-2011 Fiscal year.

Background and Discussion:

The City of Brisbane joined other cities in San Mateo County in filing a claim against the County for refund of property tax administration fees that the cities allege were improperly collected. Similar claims were filed by cities in Southern California and became the subject to litigation to determine the validity of these claims. The San Mateo County cities and the County agreed to suspend all activity pending the final outcome of the Southern California action. On January 5, 2009, the City executed a tolling agreement with the County to suspend the statute of limitations on the City's claim relating to the 2006-2007 and 2007-2008 fiscal years.

Subsequent claims were filed for the 2008-2009 fiscal year, with the Tolling Agreement being extended by a First Addendum, followed by claims for the 2009-2010

fiscal year, with a further extension through a Second Addendum. Since the state litigation is still pending, another extension is needed to include the 2010-2011 fiscal year.

Fiscal Impact:

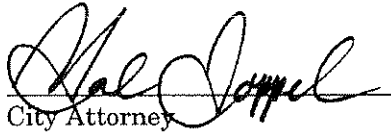

None. The Third Addendum will preserve the City's claim.

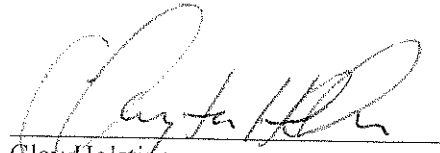

Measure of Success:

Recovery of the claimed administrative fees.
