TO: Honorable Mayor and City Council  
via Clayton Holstine, City Manager

FROM: Lisa Macias, Police Commander

DATE: Meeting of March 15, 2010

SUBJECT: State Citizen's Option for Public Safety (COPS) Grant Acceptance \$100,000 and  
Authorization to Expend Awarded Funds

### **RECOMMENDATION:**

We recommend that the Council adopt a resolution that requests Brisbane's share of the COPS funds; and direct the Director of Finance to create a supplemental Law Enforcement Services Fund (SLEFS) for the purpose of dispersing these funds for existing police personnel position.

### **BACKGROUND:**

For the last twelve years we have received funds awarded by the grant to Brisbane. This fiscal year 2009-2010 will be our twelfth. The amount, based on our Population and set at a minimum dollar amount, is \$100,000. Last year we used these funds to support a percentage of the following position:

Detective

We will continue to fund a portion of this position with these funds.

### **DISCUSSION:**

State grant funds are with the County Controller and are in the process of being awarded to the City for local law enforcement purposes. These grant funds must be expended within two years after receipt. This fiscal year's recommendation use is for the support of the Police Department personnel positions.
