## *Agenda Report*

TO: Honorable Mayor and City Council

FROM: Commander Lisa Macias

SUBJECT: Donation for the purchase of Safety Bullet Proof Vests for the Police Dogs

DATE: October 20, 2009

**City Council Goals:**

To encourage community involvement and participation.

**Purpose:**

To accept the donation of \$1,600 for the purchase of two Safety Bullet Proof Vests for the police dogs, Uron and Inka.

**Recommendation:**

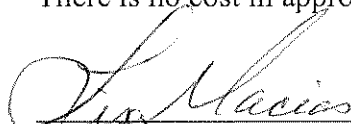

Staff recommends the approval to accept the donation of \$1,600 for the purchase of two safety bullet proof vests for the two police dogs.

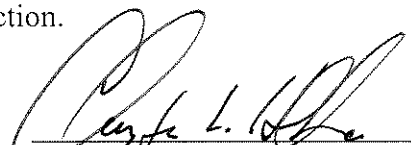

**Background/Discussion:**

A long time resident of Brisbane, JamesAnn Dunn, approached the K-9 division and expressed her concern for the safety of the two police canine dogs while on-duty. She asked that we research what the cost would be to purchase them their own bullet proof vests because she wanted to donate the funds in memory of her partner, Lori Bertolini.

**Fiscal Impact:**

There is no cost in approving the recommended action.
