Subject: Brisbane Baylands - voice of support

Hi,

I just wanted to voice my support for the Brisbane Baylands proposal, as a stakeholder of the Brisbane community. My wife and I own a house in Brisbane, and would love to see the Baylands development come to fruition at the earliest possible as it will be a great milestone for the community. My wife and I are unable to join the hearing this evening, so sending this email instead.

Regards,
Sonal
