ZIPPY DAY TO HELP RAISE FUNDS FOR THE SKATE PARK

October may have Derby Days, but April has Zippy Day! Over 400 runners will participate in the Zippy Race on Sunday, April 21st beginning at 8:30 am. The 5 kilometer (3.1 miles) race is organized by the Excelsior Running Club and sponsored by Powerbar and RoadID. A portion of the proceeds of the race will be donated to the Mothers of Brisbane (MOB), who are helping to raise funds for Skate Park improvements. They will also sponsor a refreshment center at the Community Park Gazebo from 9:00 - 2:00 pm. The Lion's Club will also be on hand to cook up their very fine sandwiches. Some of the vendors from the Thursday's Farmer's Market may be on hand and all Brisbane organizations and businesses are invited to set up booths to promote themselves. (No fee is required.) If you would like to participate in this event, please contact Cliff Lentz at clifflentz@ci.brisbane.ca.us or call him at 650-219-0293.

The course starts and finishes on Park Lane near the Brisbane basketball courts. Runners/walkers start along Park Lane, take Valley Drive to get on South Hill drive, continue on South Hill Drive to West Hill Place, go out and back on West Hill Place, and then take West Hill Drive and Valley Drive back to Park Lane for the finish. http://www.zippy5krun.org/coursemap.htm. LIPMAN SHINES AT 2013 SAN MATEO COUNTY SCIENCE FAIR

Four students from Lipman were finalists in the San Mateo County Science Fair held at the Hiller Aviation Museum. Projects from more than 300 students representing 44 schools in the county were judged by a panel of scientists, and finalists defended their work in an interview to decide their places. Congratulations to 8th grader Alyssa Castillo for placing 2nd in 8th grade Biological, Evan Tiapula for placing 2nd in 7th grade Biological, Noah Kellstedt for placing 2nd in 7th grade Ecology/Environmental, and Ida Funke for placing 2nd in 7th grade Behavioral/Social/Health. PHOTOGRAPHY SHOW OPENING: FOCUS ON FLOWERS

The public is invited to attend the opening reception for the first show of new photographer, Wendy Ricks on Wednesday, April 3 from 6:00 - 8:00 pm in the art gallery at City Hall. The show presents photos of flowers from a macro level with varying degrees of focus, lighting, and angle.

"When I look at flowers, I see their intricate detail, the splashes of spots and dots, and the colorful lines. I see the structure of the flowers, the delicacy of the petals, their majesty, and their magnificent regalness, each expressing a different flavor of creation."
