

# City of Brisbane Agenda Report

TO: Honorable Mayor and City Council

FROM: Director of Public Works/City Engineer via City Manager

SUBJECT: City Manager Update on Status of Cooperative Agreement with BSD –  
Lipman Landslide Repair

DATE: February 22, 2011

**City Council Goals:**

To promote intergovernmental opportunities that enhances services and/or reduces cost of operations and services to city residents. (#10)

**Purpose:**

To update the City Council on the status of actions taken pursuant to the Cooperative Agreement with the Brisbane School District (BSD) to facilitate repairs to the Lipman Middle School hillside and the City of Brisbane's tennis courts.

**Recommendation:**

Provide any direction deemed necessary and appropriate.

**Background:**

The need for the landslide repair project and the basis for the Cooperative Agreement with BSD are discussed in Attachment 1.

The repair project was put to bid in 2009; all bids were ultimately rejected because final project approvals had not been obtained from the Division of the State Architect.

**Discussion:**

All necessary project approvals have been received. The BSD Board of Directors considered issuing the Notice to Contractors (referred to elsewhere as "Notice Inviting Bids") at their 2/16/11 meeting (see Attachment 2).

**Fiscal Impact:**

None as a direct result of receiving this update. The Council's approval will be obtained prior to expending any public funds on the repair of the city's tennis courts.

**Measure of Success:**

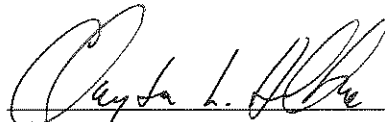

Completion of the three repair efforts described in Attachment 1.
