

CITY COUNCIL AGENDA REPORT

Meeting Date: 6/6/2019

From: Maria Saguisag-Sid, Principal Analyst

Subject: Solid Waste Annual Rate Increase from South San Francisco Scavenger Company, Inc.

Community Goal/Result

Ecological Sustainability

Purpose

To ensure solid waste is disposed of in a proper and environmentally effective manner.

Recommendation

Review and approve Resolution 2019-20 for proposed solid waste disposal rate increases to be effective July 1, 2019

Background

The City of Brisbane currently holds a franchise agreement with South San Francisco Scavenger Company, Inc. (SSF Scavenger) in Zone 1 and 2. This agreement was approved in November 2014. Services under this agreement not only include weekly residential and commercial solid waste removal services, but also provides for other services such as residential curbside recycling including food waste, the annual citywide yard waste clean-up, management of annual diversion reports to CalRecycle, assistance in implementing new mandates such as the AB341 mandatory commercial recycling law, and other solid waste services. SSF Scavengers reported the diversion rate for Zone 1 and 2 was 79% in calendar year 2017.

The Franchise Agreement with SSF Scavenger provides for annual adjustment of rates for commercial and residential customers in Brisbane. There are two formulas for adjusting the rates.

1. Section 6.2 of the Agreement provides for an adjustment of 80% of the change in the CPI for the previous year. For example, if the CPI had increased during the previous year by 3%, the rates would increase by 2.4%.
2. Section 6.4 of the Agreement provides that every third year, a survey is to be done of a "basket" of 32 Bay Area cities which are listed in the Franchise Agreement.

Discussion

The franchise agreement provide that rate increase requests be submitted by March 31st and the City act on the requests by June 30th of each year. SSF Scavenger submitted their request in

a timely manner. Based on the provisions noted above, the proposed increases under Section 6.2 is 2.63%.

Attached is the notice of intent from South San Francisco Scavenger, dated March 13, 2019, which includes the detailed rate increases by service level. Staff has reviewed the proposed rates and they appear to be in line with what is permitted by the franchise agreements. The Infrastructure, Utilities and Franchise Subcommittee reviewed the proposed rate increase at their April 24, 2019 meeting and recommends Council adopt the rate increase.

Fiscal Impact

Based on the proposed rates, the increase for a standard 32-gallon residential can would be \$0.87 per month, or an additional \$10.44 for the year for solid waste removal service. The increase for a 96-gallon (1/2 yard) container would be \$3.37, or an additional \$40.44 per year. The increase for a 2-yard bin would be \$8.30 per month, or \$99.60 per year.

Measure of Success

Solid waste removal is able to continue efficiently for the community in a way that helps our city reach our diversion goals.

Dear Ms. Saguisag-Sid,

In accordance with the terms of Section 6.2 of the Franchise Agreement, please accept this letter as the required Notice of Intent to adjust the current rates in Brisbane.

We are applying for a rate adjustment equal to 80% of the change in the Consumer Price Index for Urban Wage Earners and Clerical Workers, as described in section 6.2. The calculation for this year yields an increase of 2.63%.

Copies of the calculation, the relevant CPI data, and a proposed rate schedule, are attached for your consideration. The new rates would take effect July 1, 2019, if approved.

Thank you for your consideration of this matter. If you have any questions, please contact me at (650) 589-4020 at your earliest convenience. We are, of course, available to meet with you to discuss any concerns or issues, at your convenience.
