

CITY COUNCIL AGENDA REPORT

Meeting Date: June 20, 2019

From: Caroline Cheung, Senior Management Analyst

Subject: Contract Renewal with Millbrae Community Television (MCTV) for telecasting and station management services

Community Goal/Result

Community Building

Purpose

Use Channel 27 on Comcast to keep the public informed by showing City Council, Parks and Recreation, Open Space & Ecology, and Planning Commission meetings as well as additional information related to the City.

Recommendation

Authorize the Mayor to execute a Addendum 2 with MCTV for a two-year period that may be extended for an additional two-year period (Attachment 1).

Background

Since 2002, the City has contracted with MCTV to televise City Council and Planning Commission meetings over the City's cable television Public, Education, Government (PEG) channel. In 2005, the City entered into contract with MCTV to provide overall station management services for Ch. 27 and to provide expanded programming and rebroadcast of meetings. These two contracts were combined into one agreement with MCTV in 2009, after having both been extended several times.

Discussion

The addendum to the Vendor Agreement dated July 1, 2017 with MCTV (Attachment 2) is expiring on June 30, 2019. In Section 1 of the agreement (Attachment 3), the terms may be extended for an additional two-year period.

Currently, MCTV provides one operator for regular City Council meetings for three-camera videotaping. The Planning Commission, Open Space and Ecology Committee, and the Parks and Recreation Commission are telecast using a single camera with staff having been trained on how switch from live to playback settings in the TV room.

During the week, staff from MCTV programs the rebroadcasts of public meetings, posts information from the Brisbane Blast on the rolling message slides, and provides additional programming content from local and professionally produced sources.

Fiscal Impact

There have been no changes to Exhibit A of the previous 2017-2019 period, so no increases to the budget are needed.

Measure of Success

Residents have a knowledgeable sense of the events and happenings taking place in their city.

A. City desires to award a contract to provide videotaping of public City Council and Planning Commission meetings for live telecasting over the cable television network in Brisbane (“Service”).

B. City has entered into a franchise agreement with Comcast of California, Inc. (“Comcast”), which requires Comcast to provide a “reverse feed hookup” to City facilities listed in the franchise agreement.

C. Operator represents that it is trained, experienced and qualified to perform the videotaping and telecasting Service and is willing to do so pursuant to the terms of the Agreement.

NOW, THEREFORE, it is agreed as follows:

1. TERM OF AGREEMENT

The term of this Agreement shall commence on the date of execution of this Agreement, and shall continue thereafter for a two (2) year period, unless terminated sooner pursuant to Section 17, and may be extended for two (2) two (2) year periods pursuant to Section 18.

2. OPERATOR RESPONSIBILITY

(a) Operator shall provide Service to City in accordance with the terms and conditions attached hereto as Exhibit “A” and the terms of this Agreement, including the provision of all equipment and personnel necessary to operate equipment and provide such Service.

(b) Operator shall provide Service to City for all regular City Council meetings, which are held on the first and third Monday of each month. If the regular meeting date is a holiday, the following Tuesday will be a regular meeting date. The Operator shall also provide Service to City for all regular Planning Commission meetings, which are held on the second and fourth Thursday of each month. Operator shall provide Service for additional meetings on an “as available” basis. City recognizes that Operator’s resources are limited and that dates for special meetings will be reserved by Operator on a “first come first served” basis.

(c) Operator shall work closely with Comcast to ensure that Operator's equipment is compatible with AT&T's reverse feed connection at City's facilities.

(d) Operator shall work closely with Comcast and take all reasonable measures needed to ensure that a clear and audible signal of the live telecast of the City Council and Planning Commission meetings reaches the cable subscribers in Brisbane.

(e) Operator shall invoice City for compensation due, as set forth in Section 3 and Section 5 of this Agreement.

(f) Operator shall begin Service immediately upon execution of this agreement.

If the form of insurance with a general aggregate limit is used, either the general aggregate limit shall apply separately to the work to be performed under this Agreement or the general aggregate limit shall be at least twice the required occurrence limit.

(2) *Automobile Liability Coverage.* Operator shall maintain automobile liability insurance in an amount not less than \$1,000,000 combined single limit for each occurrence, for bodily injury and property damage, providing coverage at least as broad as Insurance Services Office form CA 0001 (Ed. 12/90) Code 1 (any auto).

California and employer's liability insurance in an amount not less than \$1,000,000 per occurrence, for any and all persons employed by Operator in connection with the performance of services under this Agreement. In the alternative, Operator may rely on a self-insurance program to provide this coverage so long as the program of self-insurance complies fully with the provisions of the California Labor Code. The insurer, if insurance is provided, or Operator, if a program of self-insurance is provided, shall waive all rights of subrogation against City for loss arising from work performed by Operator for City.

The coverage shall contain no special limitations on the scope of protection afforded to City, its officers, officials, employees, agents or volunteers.

(2) For any claims related to the Service, Operator's insurance coverage shall be primary insurance as respects the City, its officers, officials, employees, agents and volunteers. Any insurance or self-insurance maintained by City, its officers, officials, employees, agents or volunteers shall be excess of Operator's insurance and shall not contribute with it.

(3) Any failure to comply with reporting or other provisions of the policies including breaches of warranties shall not affect coverage provided to City, its officers, officials, employees, agents or volunteers.

(4) Operator's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

(5) Operator's insurance coverage shall not be suspended, voided, canceled or reduced in coverage or in limits except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to City.

- (b) No change shall be made by Operator in the Service without the prior written approval of City.
- (c) City reserves the right to reduce or increase Service in light of decreased or increased need and/or funding availability. City cannot increase the level of Service without the prior consent of Operator.

This Agreement shall be governed by the laws of the State of California.
