

# CSSC 2019 Work Plan

---

Items referred to the Complete Streets Safety Committee in 2016 (per Paragraph 7f of Resolution No. 2013-05):

1. Study extension of Safe Pedestrian Routes beyond initial study area (Miller).
2. Develop education/outreach to schools and the public regarding Safe Pedestrian Routes to Schools (Sun).
3. Provide input on the Bike/Ped Master Plan (COMPLETED)
4. Review existing city and private shuttle schedules and comment on enhancement options, including creating service for underserved populations (Tainter).
  - Committee wishes to survey residents and daytime population regarding additional needs
  - Investigate improvements for shuttle stops (Measure M is possible funding source)
5. Study sightline/safety at specific intersections (Alvarado/San Bruno, Klamath/Sierra Point, Monterey/San Bruno, Tulare/San Bruno, Thomas/San Bruno) and offer enhancement recommendations (Ibarra).
6. Consider opportunities to enhance emergency vehicle ingress and citizen egress on Tulare (ON HOLD).

Additional items approved for review by the committee:

7. Recommendation on improvements to the San Bruno/Bayshore intersection for safety (Christie)
8. Investigation of potential for one-way streets (Mariposa/Monterey) (Ibarra)
9. Review parking issues in Central Brisbane and develop recommendation (Christie)
