the marina office

## *Happy Holidays from All of us, to All of you!*

Well here we are, in the eleventh hour, the last quarter, the downhill slide to the end of 2019. It has definitely been one heck of a ride, but I'm looking forward to 2020 and what it has to bring!

But before we can go skating off into the New Year, we must slow down and enjoy one of the more magical months of the year. December is a great month to take some time off, enjoy new sights, visit family and friends, and catch up on the loose ends from the months prior. And lets not forget the festive Holiday Cheer that brings out the Festival of Lights on Sunday December 8th in Downtown Brisbane, or the Boat Decorating Contest on Saturday December 14th, hosted by Sierra Point YC. I look forward to having the opportunity to see everyone's creativity in decorating, and may participate in the vessel decoration myself aboard M/V Against the Wind.

More information on the two above mentioned events here:

Festival of Lights: <https://brisbaneca.org/events/2019-festival-lights>

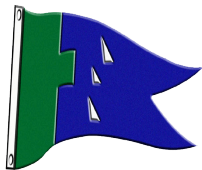

Boat Decorating: [https://spyc.clubexpress.com/content.aspx?page\\_id=4002&club\\_id=292277&item\\_id=1116615](https://spyc.clubexpress.com/content.aspx?page_id=4002&club_id=292277&item_id=1116615)

Switching gears, here are some friendly reminders:

- Inclement weather is here. Please check your dock lines, power cords, fenders, deck scuppers, canvas, sails and bilge pumps. Please also make sure your vessel's windows and hatches are secure and will not allow water intrusion.
- If you have not provided your new registration or documentation to the office, please do so before the end of December.
- Please take note of the new signage around the parking lots for permit parking only. Parking permits will be enforced. If you do not have one, please stop by the office to get one today.
- For better security of our recycling bins, we have relocated them to behind the dock gates. Please note: The recycle bins are for containers only—please do not place cardboard in the recycle bins. Cardboard can be placed in the garbage cans at the head of each dock, or in the cardboard dumpsters at the head of dock 1 or dock 4. Thank you in advance for your cooperation.
- If you don't have a lock securing the dock box lid, please use a piece of wire through the metal tine in order to secure the lid from flying open/breaking off during high wind storms.
- If you are one of our tenants who keeps a credit card on file for paying monthly slip fees, please make sure to update the office when any changes may occur to your credit card account. This may include: expiration date change, address change, closed account due to fraud, etc. This will help prevent charges and other fees being incurred for late payment.

Until we cross paths again, may you all enjoy a Happy, Fun and Safe Holiday Season!

*Wrapping up 2019!*

**Sierra Point Yacht Club**

400 Sierra Point Pkwy Brisbane CA

Michael Bell, Commodore

**Every Friday Night—Pot Luck at 6 PM**

**Breakfast—Sunday December 1st at 9 AM**

**Boat Decorating Contest: Saturday December 14th at 5 PM**
