Randy Breault

2020 Tide Tables are now
available in the marina office

Will you be...my Valentine...

So far, 2020 is off to a rolling good start. The Bay Trail is open again, and if you haven't had a chance to check it out, I urge you to enjoy a few moments and take a walk along the South shore!

Speaking of walks, when I walk the docks, it reminds me that there are many boats that need attention. The Marina prides itself with having boaters who frequent their vessel (s), keep them maintained and take them out regularly. So with the days getting longer, there's more usable daylight to work on the boat, clean her up, and get her ready to head out for a weekend. It's much better to use the boat, than to let her sit and rot.

Drifting into some friendly reminders:

- Many of us are dog lovers, but your dogs are required to be on a leash at all times. There are Mutt Mitts conveniently placed along the promenade to pick up after your dog. If you have a cat or two, please keep them onboard your boat; the docks and other people's boats are not the cats litter box. We appreciate your help and cooperation in trying to keep our public use areas and docks clean.
- We try to make sure that you and your boats are safe when you are and aren't here. Please DO NOT allow people you don't know onto the docks. If they belong here, they will have a working key fob to get through the gate. If they forgot their key, or their key does not work, they need to come to the office and check in. If you see something strange or out of place, please call our office and report the situation so we can look into it further.
- Being a tenant in the marina generally affords you an assigned slip. PLEASE, do not pull into a slip that is not assigned to you without prior approval from the marina office.

On an entertaining note, here are some notable City of Brisbane dates & events:

2/8 - Artists' Evening of Sharing, Mission Blue Center at 7:30pm

2/12 - Lincoln's Birthday

2/14 - Valentine's Day

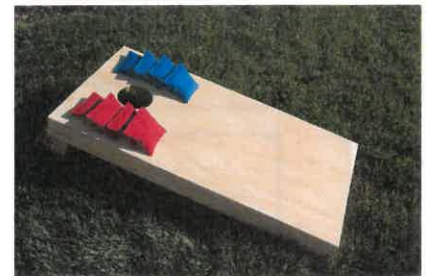

2/15-3/1 - Community Pool Closed for Maintenance

2/17 - Presidents' Day

2/28 - Corn Hole Tournament, Community Park Gazebo starts @ 7:00pm; \$15/team, registration ends February 21st.

2/29-3/3 - Presidential Primary Elections, Vote Center at City Hall Open

*****March 2nd:** painting around the marina will begin, pending weather*** More details to follow in the March newsletter and bulletin boards at head of each dock.

Until next month, we hope to see you around the marina or heading out on the water in your boat!

Andrew Rehberg - Harbormaster

Things that go bump in the fog...
