

## CITY OF BRISBANE

### FIRE CAPTAIN

#### **Definition**

Under general supervision of the Fire Chief, plans, schedules, deploys, supervises and reviews the work of Firefighters and Firefighter/Paramedics on an assigned shift; takes command of fires and other emergency incidents within the City unless relieved by a senior officer; performs the full range of emergency response duties as a member of a response team; supervises and participates in all non-emergency inspection, training, maintenance and related activities; plans and administers specified departmental projects; performs related work as required.

#### **Class Characteristics**

This is the full supervisory level in the sworn fire series, responsible for all activities on an assigned shift and for assisting with overall department management and multi-agency activities as assigned. Responsibilities include both shift command and the performance of a variety of emergency response, non-emergency maintenance and administrative duties. Incumbents also serve as the Fire Chief on a relief or as assigned basis. Successful performance of the work requires a team-oriented individual who takes pride in serving the community, is flexible and a problem-solver, and is highly motivated and able to motivate others. This class is distinguished from Fire Chief in that the latter has overall management responsibility for the Fire Department.

#### **Examples of Duties** (Illustrative Only)

- Plans, schedules, organizes, assigns, reviews and evaluates the work of sworn staff on an assigned shift.
- Provides input into selection, disciplinary and other personnel matters; may counsel employees as required.
- Trains staff in work procedures; reviews and approves reports prepared by sworn staff.
- Oversees, reviews and evaluates a variety of departmental programs and activities; may represent the department and the City in contacts with other fire and medical response agencies.
- Schedules the work of employees to provide for coverage and makes day-to-day assignments as required by the needs of the department.
- Assists in the preparation and administration of the departmental budget.
- Performs the full range of Firefighter and Firefighter/Paramedic (depending upon certification) duties, including:
  - ... Responding to fire, medical, hazardous and related emergency situations;
  - ... Participating in the fire inspections of buildings and properties within the City on a regularly-scheduled basis;
  - ... Maintaining apparatus and vehicles in a clean and operable condition; performing minor maintenance and repair on equipment; reporting the need for major repair;
  - ... Maintaining the station and living quarters in a clean and orderly condition; performing minor maintenance on facilities and station equipment.
  - ... Participating in drills and training sessions.

... Developing and maintaining effective working relationships with the community; presenting a variety of educational and public services programs to children, youth and community groups.

- Performs and coordinates specific program or project areas, such as:
  - .... Safety Director for the City;
  - .... Disaster Preparedness Coordinator for the City; and
  - .... Fire communications coordinator.
- Assists in the investigation of the cause and origin of fires and hazardous materials incidents.
- Provides mutual aide to other fire service and medical emergency agencies as dispatched and in accordance with departmental policy.
- When in the field, surveys the City for maintenance or safety problems and reports this need to City staff.
