

CITY OF BRISBANE

FIREFIGHTER/PARAMEDIC

Definition

Under general supervision of a Fire Captain, provides medical services at the EMT-P level; performs all the duties of a Firefighter, including responding to fires, hazardous materials incidents, rescues, and other emergency and non-emergency situations; participates in all other suppression, prevention, inspection, education and related activities to protect life and property; operates and maintains fire fighting apparatus and equipment; performs fire station maintenance; serves in specialized departmental roles as assigned; provides information and assistance to the public; and performs related work as required.

Class Characteristics

This is the advance level above Firefighter level in the fire service, qualified to perform all normal fire suppression, basic medical emergency, hazardous materials and other emergency response activities, and, in addition, to provide skilled paramedic services. Incumbents are expected to drive and operate a truck, engine and all other vehicles and equipment and perform the full range of duties of a Firefighter. Successful performance of the work requires a team-oriented individual who takes pride in serving the community, is flexible and a problem-solver, and is able to perform heavy physical work at potential risk to health and safety. It is further distinguished from Fire Captain in that the latter is the first supervisory level in this sworn class series.

Examples of Duties (Illustrative Only)

- Responds the emergency calls and provides basic and advanced medical services; directs the on-site work of emergency medical technicians; assists in the emergency transportation of patients to medical facilities as required.
- Responds to fire alarms, emergency rescues, hazardous materials incidents, public service calls or other incidents, which require the mitigation of circumstances that may threaten life or property.
- Drives and operates all fire equipment and locates the apparatus at the proper place at the scene.
- In a fire emergency, lays, connects, charges and uses supply lines and various water appliances to control and extinguish fires; places water curtains and performs ventilating and access maneuvers; uses foam and chemical extinguishers as required by the nature of the fire.
- Searches and rescues victims from buildings, motor vehicles, water hazards and other locations.
- Isolates and minimizes hazardous materials spills.
- Works closely with other emergency medical staff, including providing paramedic services as a paramedic in a member agency of the San Mateo County Pre-Hospital Emergency Medical Group Joint Powers Agency; coordinates with police and public safety and fire personnel from other agencies; responds to mutual aid situations.
- Participates in investigations, clean-up, salvage and overhaul operations.

- Participates in the fire inspections of buildings and properties within the City on a regularly-scheduled basis.
- Maintains apparatus and vehicles in a clean and operable condition; performs minor maintenance and repair on equipment; reports the need for major repair.
- Maintains the station and living quarters in a clean and orderly condition; performs minor maintenance on facilities and station equipment.
- Participates in drills and training sessions.
- Develops and maintains effective working relationships with the community; presents a variety of educational and public services programs to children, youth and community groups.
- Performs and coordinates specific program or project areas, such as:
 - Lead EMT, first aid and related training for the City;
 - Hazardous materials, CPR and First Aid training;
 - Specialty apparatus acquisition and maintenance;
 - Uniforms and personal protective equipment acquisition and maintenance;
 - Communications equipment acquisition and maintenance;
 - City-wide extinguisher and medical supply program; and/or
 - Hydrant service and beautification.
- Prepares reports; prepares and maintains logs, records and accurate files.
