SKATEBOARD PARK

With the Council's approval of Spohn Ranch Skateparks at their June 19 meeting, the City is poised to begin the conceptual design phase for a new, concrete-surfaced community skatepark. The Parks and Recreation Teen Services Subcommittee, the Council Facilities ad-hoc subcommittee, staff, and one appointed community member reviewed proposals from four qualified skatepark design firms. Spohn Ranch's experience, project understanding and detailed approach contributed to their being selected as our skatepark design firm. After a kick-off meeting and background information gathering with city staff, look for Spohn Ranch to hold design workshops with the community and set up a Facebook page to solicit feedback for the future Brisbane Community Skatepark.

4TH OF JULY WARNING

As we approach Independence Day, the Brisbane Police would like to remind all citizens that ALL FIREWORKS ARE PROHIBITED - EVEN "SAFE AND SANE FIREWORKS." Please: let's all be safe and legal this year, particularly with the heightened concern about fire danger during our early dry season.

CITY-WIDE GARAGE SALE

Saturday, July 26, 8:30 - 3:00 pm

On your marks, get ready, and GO to this year's Friends of the Library City-Wide Garage Sale on Saturday, July 26, 9:00 am – 3:00 pm. After months of preparation, the day is finally here to rummage through your neighbor's belongings and find treasures you never knew you needed! The annual City-Wide Garage Sale is a fundraising event sponsored by the Friends of the Brisbane Library to supplement funds for programming at the Library. San Mateo County funds the Library's staffing and provides some fiscal support for programs, but a number of Library events are funded by citizen-driven fundraising efforts. The Live at Mission Blue Chamber Concert series and the City-Wide Garage Sale are the two largest fundraisers sponsored by the Friends of the Brisbane Library.

The Lions Club will again provide lunch at the Community Park; plus, they are offering free delivery to all Official Sellers. Call 415-269-7895 to order your lunch, but remember you must have the Official Sellers Certificate provided by the Friends.

You may still register and pay for a site at www.fobl.info. Register before July 12 and the cost is $25; register by July 18th and be included in the Official Garage Sale Directory! Remember, you can still support the Friends of the Brisbane Library by becoming a member if you don't want to have a yard sale. Membership is $20 a year.

It's going to be quite the day in the City of Brisbane. Don't miss out!

BAYLANDS UPDATE

Since the comment period for the Baylands Draft Environmental Impact Report (EIR) the city and its environmental consultants have been hard at work responding in writing to the more than 2,200 comments that were received. It is expected that the responses will be completed and a draft "Final EIR" will be published in the Fall. The Final EIR will consist of all EIR comments received, written responses to those comments, and changes to the EIR resulting from the comments and responses.

Additionally the City Council has determined that a city-wide public opinion survey to gauge community attitudes regarding the Baylands should be undertaken before any public hearings commence. Preliminary work is underway in developing that survey. More information will be provided to the community as the survey process moves forward.

WHAT TO DO IN A SIGNIFICANT WILDFIRE EVENT IN THE CITY OF BRISBANE.

Leave early enough to avoid being caught in fire, smoke, or road congestion. Don't wait to be told by authorities to leave. In an intense wildfire, they may not have time to knock on every door. If you are advised to leave, don't hesitate!

By leaving early, you give your family the best chance of surviving a wildfire. You also help firefighters by keeping roads clear of congestion, enabling them to move more freely to protect the community.

Leave to a predetermined location (it should be a low-risk area, such as a well-prepared neighbor or relative's house, a Red Cross shelter or evacuation center, motel, etc.)
Have several travel routes in case one route is blocked by the fire or by emergency vehicles and equipment. Choose an escape route away from the fire.

Take your emergency supply kit containing your family and pet's necessary items.

The North County Fire Authority recommends every family have an emergency supply kit assembled long before a wildfire or other emergency occurs.

For more information on wildfire emergencies visit the North County Fire Authority Website at:

www.northcountyfire.org.

DOWNTOWN BRISBANE CAR SHOW

Saturday, July 12, 8:00 am - 4:00 pm

Last year was the first year that Brisbane resident Tony Lukezic organized a car show for the community in downtown Brisbane. In its inaugural year, it was successfully attended by nearly 500 spectators over the course of the day. This year, he's expecting an even greater turnout of cars, so the first two blocks of the odd-numbered side of Visitacion Ave. (side of The 23 Club), the parking lot on the corner of Mariposa & Visitacion, and 13 spots inside the Post Office parking lot will all be reserved. As will two blocks along San Francisco Avenue beside the Community Park up to Mariposa St. where cars were parked last year (see photo).

Half of the car show's proceeds will go towards the Brisbane School District and the other half will go towards the City's Skatepark Donations Fund. New this year, Tony is adding two jumpy houses which will be set up in the Park, so make it a family day and enjoy your time at the car show!

City Council Accomplishments

The Brisbane City Council held a series of three budget workshops (on June 2, 9 and 11) in anticipation of adopting a 2014-15 budget in mid-June, which they did on June 19. The fiscal year for the city occurs between July 1st and the following June 30th, and in this past year, the Council has seen a fair number of accomplishments, which were summarized in the Administrative Service Director's budget presentation during the first workshop:

- Announced and implemented Request For Proposals (RFP) for Skateboard Park Design
- Completed Draft EIR for Baylands
- Developed Action Plan for Sustainability Plan for Baylands
- Completed Fire Station Repairs
- Approved Financing Plan for Water and Sewer Projects
- Completed Urban Land Institute (ULI) Charette for Crocker Industrial Park
- Approved Business License for Liquid Storage Facilities
- Upgraded Technology for Police Department
- Approved Memorandum Of Agreement (MOA) for Baylands Dirt Storage
- Bought Additional Open Space in Brisbane Acres

Over the next few weeks, these topics will be covered in more detail in city publications and the blog. An article on the RFP for Skateboard Park Design and an update on the Baylands EIR process are included is this publication.

Congratulations Brisbane Red Sox!

Brisbane can take pride in our young baseball players. The Brisbane Red Sox are part of South San Francisco's eleven-team Pinto League (7 & 8 year olds). They capped off their season with three rounds of playoff game wins, but lost to the South San Francisco Iron Birds in the league championship game on Saturday, June 7th, in a nail-biting 4 to 6 game. The coaches and parents couldn't be prouder of our young players for their great play and sportsmanship throughout the season. As the runner-up team, all team members received handsome trophies during the league's BBQ and awards ceremony. The team was coached by Bob Kinney, and the assistant coaches were Todd Curtis and Ken Johnson.

Brisbane Village Helping Hands

For those not familiar with this new community group, Brisbane Village Helping Hands is a volunteer organization seeking to help older Brisbane Residents continue to live independently in their homes by connecting them with volunteers who can provide assistance such as transportation, help around the house, social visits and events and help with shopping and errands. So far, about 40 residents have expressed their interest in providing such volunteer services.

Here's a brief summary of what the group has been doing over the past few months since our February community meeting:

- Developing policies, procedures and informational materials for members and volunteers.
- Seeking co-sponsorship from the City to assist the group as they begin the process of community outreach. At the last City Council meeting the Council approved the co-sponsorship application, which allows the organization to use city facilities at no cost and also provides assistance with outreach efforts.
- Setting up our website. The group has decided to use the free Lotsa Helping Hands website as the main tool for communication with volunteers and members and coordination of volunteer services. Members without internet capabilities will be provided an 'internet buddy' so they can communicate via the website. Many in Brisbane may be familiar with Lotsa Helping Hands as a site where family caregivers can organize help from friends while taking care of a loved one. Lotsa Helping Hands is also set up for use by community volunteer organizations, and the group is in the process of creating its community site within Lotsa Helping Hands, becoming familiar with how to use it, and customizing it to fit the needs of the organization.

BRISBANE VILLAGE
Helping Hands

Brisbane Village Helping Hands is hoping to host an event to launch this project and begin offering services sometime this fall.

Farmers' Market

Oh my, but this is the life. Wake up in the (relatively) quiet City of Brisbane. Walk outside into the beautiful sun, so common to our little town, take a stroll down the street to the community park and find a Farmers' Market set up and ready for business. It's a great life. A number of new vendors in addition to our regulars were present at the new Sunday Market, and many visitors took the opportunity to bring their shopping list for the week. The manager for the Farmers' Market would like to hear about what type of vendors our community would like at the Market. Please email Caroline at ccheung@ci.brisbane.ca.us with your ideas. In the meantime, enjoy the variety, the freshness and downright friendly farmers' market on either Thursday, 3:00 – 7:00 pm or Sunday 9:00 am – 1:00 pm at the Community Park.

Summer Learning at the Brisbane Library

Stop by the Brisbane Library this summer and sign up for our Summer Learning program. Every child will receive a book to keep, just for visiting the library and picking up a Summer Learning log! All reading is good reading—this summer, try novels, nonfiction, comic books, magazines, audiobooks and more!

Families with Children Under 5

Talking, singing, reading, writing, and playing with your child will support your child's pre-reading skills and, eventually, will help your child do better in school. Participating in summer learning is easy, fun, and invaluable for your child's development. Color in a shape on the Summer Learning Log for each day you read, sing, play, write, talk,

Kindergartners-3rd Graders

Participating in summer learning is easy and fun. Try to read for at least 20 minutes every day and do fun, new activities. Once you've completed 6 activities and read for 30 days, you have successfully completed the summer learning program!

4th-6th Graders

Participating in summer learning is easy and fun—and it keeps you from forgetting what you learned last year at school! Try to read every day and do fun, new activities. Once you've completed 6 activities and read 5 books, you have successfully completed the summer learning program!

7th-12th Graders

By now, you experienced students know that learning in a relaxed, fun way throughout the summer will help you remember last year's lessons! Try to read every day and have active, hands-on learning experiences so that you're learning every day. Once you've completed 6 activities and read 5 books, you have successfully completed the summer learning program!

Prizes

Return your log to the Brisbane Library for prizes and a chance to win a $1,000 scholarship to college. Ask for another log—with each additional log you complete and turn in, you will receive another chance at winning the $1,000 scholarship!

Get ready for kindergarten at the Brisbane Library this summer! Join us for Ready, Set, Kindergarten, a six-week program of themed stories and activities for preschoolers and their parents or caregivers. Tricia Vaccaro – a new face in Parks & Recreation

If there is one thing we know for sure about Tricia Vaccaro, it's that her positive energy will put a smile on your face and a chuckle in your belly. Tricia is a Daly City native who attended high school there, and has always lived on the Peninsula. She survived a rigorous recruitment process to be offered the position in Parks and Recreation known as the "Face of Brisbane."

Tricia comes to us with many talents, but her most valuable skill is being able to do many things at once, and still have a smile on her face and a funny one-liner to match the moment; in other words, we have a character on our hands. Her career focus has been administrative, and while she has worked for both large corporations and small companies, she prefers the feel of the latter because everyone knows everyone. She also enjoys a position that has some variety. Since variety is the coat you would put on when you walk through the door of the Parks and Recreation office, and in Brisbane, everyone knows everyone, Tricia is a perfect fit!

When asked how she feels about being with the City of Brisbane to date, Tricia replied, "Love it! I'm actually waking up in the mornings and instead of dreading the work day ahead, I find I am really excited about going to work. It is one of the most pleasant environments I've ever worked in. It's like a family here. Camaraderie is an important element to find in a work setting. I value that over any amount of money or title." Well said, Tricia, and welcome to Brisbane. We are glad you landed here.

BEGINNING & INTERMEDIATE GUITAR LESSONS

Want to learn how to play guitar, but don't know where to get started? Maybe you've had a few lessons, but you're ready to take your playing to the next level? UC Berkeley Music Department alumni and easy-going folks, Sam and Gaby will be offering group guitar lessons for kids this summer at Mission Blue and the Brisbane Community Center.

We'll cater our lessons to the group's interests and ability, but the bottom line is a good time. We'll be hosting intermediate lessons on Wednesdays (12:00 - 1:00 pm), and beginner lessons on Saturdays (12:00 - 1:00 pm). Let's play some guitar this summer! Don't let your kids miss this fantastic opportunity to have fun while they sharpen their brains and ears with music.

Co-Instructor: Gabriel Gerson is a longtime Brisbane resident, was a member of Mariachi Luz de Oro, where she played guitar. Gaby is one half of the duo Canela con Azucar. She is comfortable playing many styles of music, and has classical piano experience.

Co-Instructor Sam Smetana is a former touring rock bassist and current jazz/swing guitar fanatic with some classical guitar background.

NEW FITNESS AND EXERCISE PROGRAM!

Water Walking Exercise – RECUPERATE, REGENERATE, RELAX!

A new program for adults to exercise in the pool is available. Water walking offers several benefits over taking your typical stroll on land. You may not be walking on the water but you will be able to walk in water deep enough to help you get a good workout. The water provides resistance, making your muscles work harder to move forward. At the same time, it provides buoyancy, helping reduce strain to your joints. Changing your water walking routine keeps it interesting while allowing you to work different muscles as part of the exercise. This is a self -guided activity. Water weights and paddles available at the pool.

Days: Tuesday & Thursday **Time:** 9:15 am - 10:00 am
Days: Monday & Wednesday **Time:** 7:00 pm - 8:00 pm
Fees: Regular daily fees apply. **Ages:** 18 and up

PRIVATE POOL RENTALS

Enjoy the use of the entire Brisbane Community Pool for your end of the year school parties, birthdays, and graduation parties. The pool provides seven king-size picnic tables, gazebo area, PA system for music, and professionally trained aquatic staff. The Naui Scuba Diver course, the most comprehensive entry-level recreational diver training available, is designed for the new scuba student and utilizes the "Scuba Diver Student Education System." Once the academic requirements are met, your scuba learning experience continues with training sessions in the pool followed by 2 days of open water diving in beautiful Monterey Bay.

Please email dive@mitchellscuba.com or call (650) 873-7321 for registration. We keep class sizes small with a maximum of eight students for the Monterey dives. Early registration is recommended. It is not unusual for classes to fill up early. Please bring your own personal gear for the Monterey Bay Dive.

Community Signboard – Birth Notifications Now Being Posted!

For the past 23 years, the Community Signboard located at the northwest corner of the Community Park has been available for non-profit community groups to advertise upcoming events and programs and for notifications announcing the passing of Brisbane residents. In the spirit of helping build a strong community, the signboard will now be available for Brisbane resident to announce the birth of new family members. Birth notification will be posted on an "as available basis" and will be posted at no charge. For more information or to request a sign posting, please contact Recreation Supervisor Russ Carmick at 415.508-2143 or at rcarmick@ci.brisbane.ca.us .

SSS Tigershark-Ship 50

We are a youth maritime program with a focus on sailing. We provide opportunities for youth 13-20 to learn sailing, kayaking, rowing, motor boating, and seamanship. Monthly overnight sailing trips, camping and a 10 day Summer Cruise to the Delta where we water ski, wakeboard and sail, traveling by boat to ports of call such as Stockton and Sacramento. During the school year we meet every other Tuesday at the Sierra Point Marina, where crew members learn navigation-piloting-knots-water safety and leadership skills.

The Ship operates two 30-foot sailboats in the cruising program, and also has a fleet of small boats. Our boats are located at the Sierra Point Marina. Youth members operate the vessels, maintain them, and learn mechanical, engineering and woodworking skills.
We instill a love of the water, and confidence and competence in our members.

Cost: Annual Registration Fee-$24 **Dues:** $75 semi-annually.
Monthly Overnight Cruises-$25-40 **Annual Summer Cruise** $200-250. Additional cost for ship T-shirt and Sweatshirt.

BEST/PTO

Brisbane Educational Support

Team/Parent Teacher Organization

District Fundraising and

Community-Building Organization

Meeting Dates: The first Wednesday of each month throughout the school year with one to two meetings over the summer. Location alternates between Brisbane Elementary, Panorama Elementary, and Lipman Middle School. The meeting calendar with all dates and locations can be found on our website.

The BEST/PTO is dedicated to supporting the schools of the Brisbane School District through fundraising and community building efforts. We raise money that supplements our district library aide program, helping to keep the school libraries open, as well as funds to offset the costs of instructional materials throughout the district. We also provide additional funds for the Principals at each school that are used for a rich variety of offerings including educational programs, assemblies and field trips, as well as parent educational presentations. The BEST/PTO Presidents at each school organize individual site fund raisers and community-building activities, and coordinate parent volunteer efforts in each of the three schools of our school district.
