available in the marina office

## Happy New Year!

You're not seeing double, you're seeing 2020! (begin cheesy laughter...lol)

I trust everyone had a great Christmas, a Happy New Year and were able to spend time with family and friends!

Judging Committee

One of the many decorated boats

Taking a brief moment to look back at December, I want to say thank you to Sierra Point Yacht Club for hosting the Decorated Boat Contest, the dinner afterwards and allowing myself to be included as one of the judges—great times had by all that were able to attend! If you were around, you may have seen there were quite a few boats lit up and creatively decorated; this made the judge's job significantly harder! I will definitely look forward to seeing all the festive decorations again next year!!

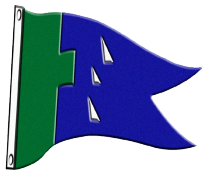

Floating ahead to marina items:

- The Wireless network will be updated here soon, and tenant connectivity will be intermittent during these updates. The updates will significantly improve wireless network security. Upon completion on January 14th, we will need to re-issue new log-in credentials. Please stop by the office to pick up your new Wi-Fi passcode when you're at the marina.
- It's a new year and we're still missing quite a few of your vessel registration and coast guard documents; please provide to the office a copy ASAP. If you've already turned in a copy, thank you!
- We've made it through a few more storms, and with more ahead, we try our best to make sure all is good on the docks. Please help us by taking a moment to come down and check on your boat(s). More specifically, make sure it has clean deck drains, power cords aren't in the water, lines are in good order and no water has accumulated in the bilge.

Until next month, stay after those resolutions and we hope to see you here at the marina soon!

Andrew Rehberg  
Harbormaster

*Welcome back to the Roaring “20’s”*
