Senior Planner Tune summarized the agenda report and responded to questions from the Commissioners regarding staff's recommendations.

Chairman Munir opened the public hearing.

Carlos Lopez introduced himself as representing Alexandro Anguiano, the applicant, who was also present. In response to a question from Commissioner Cunningham, he explained that the applicant had one small pick-up truck, one large pick-up truck and one passenger car. Mr. Anguiano confirmed that the large truck and car are parked in the garage and that the small truck can be parked in the driveway.

In response to comments from Commissioners Maturo and Parker, Mr. Lopez explained why the project, which had been previously approved by the Commission, had been delayed, and that the applicant would now be able to proceed.

With no one else wishing to speak, Commissioner Maturo made the motion to close the public hearing. Commissioner Parker seconded the motion, which was approved 4-0.

The Commission discussed the status of revisions to the parking regulations.

Commissioner Cunningham moved to conditionally approve the Use Permit and Variance as recommended. The motion was seconded by Commissioner Parker and approved 4-0 (Commissioner Reinhardt abstained).

Commissioner Reinhardt rejoined the meeting.
