Argument in Favor of Measure
This ballot measure would adopt a business license tax on cannabis business in Brisbane, whether they be a retail, distribution or research business. Depending on the type of cannabis business, the City Council will be authorized on an annual basis to set a rate of taxation up to 6% of the business' gross receipts. Voters should approve this measure because funds generated from this new tax will be used for general city services such as Police, Fire, Parks and Recreation.
