

The Brisbane Parks & Recreation Department offers a developmentally appropriate half-day program to encourage, support, and develop the whole child. Preschooler's days are balanced with a variety of enrichment activities including art, imaginative play, recreation, music, stories, and more. We aspire to enhance self-esteem, encourage independence, foster friendships, and provide a nurturing introduction to school. Children must be at least 3 years old and under 6 years old on the first day of each session. Children must be fully potty trained to attend Brisbane Preschool Program.

Registration Information

During the school year, participants currently enrolled in a session (Fall to Winter and/or Winter to Spring) will have registration priority for the following sessions if they register during the priority registration time allotment. Currently enrolled families will be notified by email & by staff regarding the priority time allotment for each session. After the priority allotment, registration will be open to new participants. Continuous registration and participation is required to maintain priority. There is no priority registration for Summer or Fall Sessions. For more information, please contact Steve Beaty at 415.508.2144 or sbeaty@brisbaneca.org.
