## WELCOME ABOARD!

We are happy to report that the City has contracted with Almar Management for the services of Andrew Rehberg as our new Harbormaster, starting Monday 9/16/19.

Andrew started boating at the tender age of 6, and has an extensive and varied water-based career; including ownership of his own yacht detailing business, 2 years as Clubhouse Manager for the Stockton Sailing Club, 4 years in the General Manager's office of West Marine, and having served as RiverPoint Landing Marina-Resort's Harbormaster for the last 8 years.

He is the holder of business management degrees from San Joaquin Delta college and San Francisco State University, and is married with two high school age children.

Please welcome Andrew when you see him on the docks, or just drop by the office to say hi!
