

San Mateo County Library eBranch Brisbane City Council Presentation

Main Site Home Page

The new San Mateo County Library eBranch launched on Monday 12 April in conjunction with National Library Week.

New features of the eBranch are: the creation of a community of users who exchange information and ideas on SMCL materials, events, and services through the use of blogs; more easily navigated and graphically designed promotion of library events, collections, news, and services; specific web portals and resources for children, teens, parents, and seniors; improved usability of standard library resources such as the catalog, databases, ebooks, and other materials.

Kids Site Home Page

The Kids Page features bright, colorful graphics, storytime videos, a fun interactive poll, promotions of events, services, and other library resources, blog posts for kids, homework help, games, and more.

Teen Site Home Page

The Teens Page features edgy graphics designed to appeal to teens, fun interactive shout-outs, promotions of events, services, and other library resources for teens, homework help, games, blog posts for teens, and much more.

Brisbane Library Landing Page

The Brisbane Library Landing Page promotes Brisbane Library events and features detailed information about the Brisbane Library's features, partnerships, and community—it also includes blog posts and videos.
