Agenda Report

TO: Mayor & City Council

FROM: Sheri Marie Spediacci, City Clerk

DATE: Meeting of June 15, 2009

SUBJECT: Resolution related to the filing of Arguments for the Special Election to Increase the Transient Occupancy Tax

RECOMMENDATION:

Determine whether the following **optional** resolution shall be adopted:

a) Consider adoption of Resolution No. 2008-33 setting priorities for filing written arguments pertaining to a proposed measure relating to the submission to the voters of a proposed ordinance to increase the transient occupancy tax

BACKGROUND:

If the Council adopts Resolution No. 2008-32 calling the special election for voters to consider adoption of an Ordinance to increase the transient occupancy tax, then the Council will most likely wish to adopt the resolution listed above setting forth provisions for filing arguments and directing the City Attorney to write the impartial analysis.

DISCUSSION:

1. Priority Order for Arguments and Preparation of an Impartial Analysis

California Elections Code Section 9282 provides that the City Council, or any member or members of the Council authorized by the Council, may file a written argument for or against the measure. If the City Council does not authorize members to sign a written argument, then citizens groups and individual voters may file arguments. If more than one written argument is submitted by citizens groups or individual voters on the measure, the City Clerk will select a written argument based on the priority set forth in Elections Code Section 9287. The priority set forth in that section provides for those members of the Council authorized by the Council, followed by bona fide associations of citizens, followed by individual voters.

The deadline would be Wednesday, July 15, 2008 for the filing of primary arguments. Primary or direct arguments are limited to 300 words, and no more than five authors/signatures are allowed.

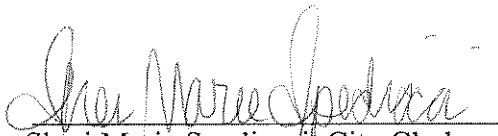

The resolution also provides that the City Council may direct the City Attorney to prepare an impartial analysis of the measure. Election Code 9280 states that: "Whenever any city measure qualifies for a place on the ballot, the governing body may direct the city elections official to transmit a copy of the measure to the city attorney. The city attorney shall prepare an impartial analysis of the measure showing the effect of the measure on the existing law and the operation of the measure."

2. Rebuttal Arguments

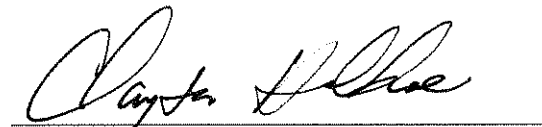

The deadline for filing rebuttal arguments would be Monday, July 27, 2009. As with primary arguments, no more than five authors may sign rebuttal arguments. Rebuttal arguments are limited to 250 words and the author or a majority of the authors of a primary argument may authorize in writing any other person or persons to prepare, submit, or sign the rebuttal argument.

FISCAL IMPACT:

None.
