

Memo

To: Honorable Mayor and City Council

From: Clay Holstine, City Manager

Date: City Council Meeting of July 20, 2009

Re: Request to agendaize Freight Forwarding Moratorium

At prior Council meetings members of the public requested that Council consider a moratorium of additional freight forwarders in Crocker Park. The Council was divided as to whether the issue should be agendaized for further discussion. Councilmember Bologoff asked staff for further information. The City Attorney met with CM Bologoff and answered his questions.

At this point, the Council might want to determine whether the issue of freight forwarding in Crocker Park should be put on a future agenda for further consideration, and if so, provide direction to staff as to which issues need to be considered.
